Professional Experience

LEE & COMPANY, LLC

- Worked for 3 summers from 2017-2020 as an office clerk for a local Accounting Firm.
- Maintained files and records so that they remained updated and easily accessible, sorted and distributed incoming mail and prepared outgoing mail (envelopes, packages, etc.), and worked on basic bookkeeping tasks.
- Utilized office appliances such as photocopier, printers etc. and computers for data entry and filing.
- Stopped working there after I went to college.

RECREATIONAL SOCCER REFEREE

- Worked for 5 years as a Soccer Referee, working primarily on weekends during the fall and spring recreational soccer seasons at my local club, but I also would occasionally travel to work at tournaments across Arkansas.
- Watched over soccer matches to enforce fair play, keep time, monitor player safety, monitor field and weather conditions, and provide a game report to match officials.
- Worked primarily as a part of a 3 person team when refereeing games and had to collaborate on calls, time keeping, and game reports.
- Have attended multiple training sessions to achieve my Level 8 Arkansas State Soccer Referee certification and I have to pass a recertification test each year.
- Stopped working after I went to college.

Education

UNDERGRADUATE PROGRAM

Working on my B.S in Data Science from the University of Arkansas. Set to graduate in the Spring of 2024.
